Hamilton Pigeon Club

Met Last Night

Many Handsome Prizes Donated

The usual meeting of the Hamilton Homing Pigeon Club was held in the R.O.C. hall, John Street, D. E. Henderson presided, and the chair, and the course of his remarks referred to the change of meeting place in future, all the meeting will be held in the store belonging to him, at the corner of Wilson and Dundas streets.

Several persons were proposed for membership, and in addition to those named on the list, there were several promises of some keen competition for the numerous cups and special prizes donated by the supporters of the club. A. J. H. Plunkett, G. A. Truman, J. Freeman, E. Davis and N. Burns, Wm. Sumner, Armstrong Supply Co., Phil Connor, E. Young, D. E. Henderson, Hydro Commissioner W. Ellis, J. Thorley and Major Allan having kindly donated prizes to be competed for during the coming racing season. The question of having a course of training stages for the younger members, it was decided to hold three, the first to be from Guelph Junction, the second from Georgetown, and that there be a charge of 25 cents each, to cover the cost of transport.

The next meeting will be held on April 15th, at 8 p.m., and members are notified to have their subscriptions paid as early as possible, and also any person desirous of joining, to apply at the next meeting.

Several constables got their runs into play at once. They were backed up by the citizens, and within a few minutes the full force was general.

Shooting from cover the posse did such effective work that two of the robbers fell dead in their tracks as they raced along the road towards the bush. Neither of the dead bandits has been identified.

Deadened last night, three others were wounded and at least two have been captured. As a matter of fact, a few provincial police have been on the watch for just such a robbery, and constables today began shooting from cover the moment the robbers left.

All the robbers are believed to be Russians, and the gang may be the same that, two months ago, robbed the same bank and got away into the hills.

THREE WOUNDED

As Well as Two Who Lost Their Lives.

New Hazelton, B. C., April 7.—Two bandits were killed at 1:30 p.m. this morning in a bank robbery, and three others were wounded and at least two have been captured.

The bank, which is a substantial building of log construction, standing on a hill, apart from other business houses, had opened for business only a few minutes this morning when the robbers, armed with rifles, walked up the road, two others appeared in the bush at the rear of the bank, while the third came from another direction. The first two jumped inside the door of the bank and the third, called out, "Hands up."

The other four appeared armed with the same intent to rob, took them outside the bank.

The only customer in the bank was John Gault, manager for Lynch Bros., a contracting firm. Gault had a sack of currency, worth \$500, in his hands and less than \$50 in cash. While his companion covered him with his rifle, one robber stepped forward and relieved Gault of his cash, and the other, who was armed with his rifle, one robber stepped forward and relieved Gault of his cash, and the other, who was armed with his rifle, one robber stepped forward and relieved Gault of his cash.

OUTLAW MEN INKURD.

The robbers were not more than half a minute in the bank. As they backed out the clerk began to reach for his gun, and in reply to this movement the robbers fired several shots through the counters and walls. The only man hit was Fenton, a ledger keeper, who suffered a scalp wound from a splinter splintered out of his desk. Fenton is an Ottawa man. The shooting alarmed the town and the constables.

Several constables got their runs into play at once. They were backed up by the citizens, and within a few minutes the full force was general.

Scrap Among Authorities Has a Bad Effect

ON EAST END INCLINE

Report on the Widening of James Street.

When George F. Webb quietly invited the Works Committee last night that his new incline was not to be extended any further than the old one, he caused quite a consternation among the city officials and aldermen, of whom were under the impression that authority had been given to the company to go further north to a distance of thirty feet on Wentworth street.

Investigation this morning brought out the fact that the Board of Works had agreed to an extension of thirty feet, but that the controllers had instructed the engineer to continue the incline to the old line.

Mr. Webb, regarding the advice of the engineer to continue the incline to the old line, was told by the Board of Works that the incline was to be extended to the old line.

The Brantford carpet ball championship was won last evening by the Liberals with 17 points up on the round from the Liberals, who have held it for two years. During the evening the "champs" were presented with a large and magnificent silver cup as an emblem of their superiority.

MOLLINEAUX SENT UP

Former Ball Player Committed on Theft Charge.

Early last December two men went to Sheriff Middleton, and, after telling him a hard luck story, obtained from him transportation as far as Beamsville, they having explained that if they got to Welland they could secure a job. They gave their names as William Doyle and William Walsh. A few days later William Halford, barber, John street, went to Sheriff Middleton with an order for a shave and a haircut, supposed to have been signed by the latter. Halford, upon being informed that the order was bogus, went to the police station and identified a picture of William Doyle there, as the man who had received the shave and haircut. A warrant was sworn out for Doyle's arrest, but he had evidently left the city, for the police could not find him. Sunday night Detective Cameron used him on the street, and arrested him. This morning he was arraigned on a forgery charge, pleaded not guilty, claiming that he was out of the city when the alleged offence was committed. He was committed for trial.

Ernest Johnson, 269 York street, took peculiar means of setting the performance at the Grand Opera House last night. Climbing the fire escape he was peering in a window when caught by one of the ushers. An officer was sent for and it was with difficulty that he placed Johnson in the cells. His fire escape cost him \$5 this morning.

Alfred Wootley, 158 Hunter street, was considered by the Magistrate as worthy of three weeks' holidays at the expense of the Government. He was riding on a King street car last night, and when approached by the police he was constable, but added that he

had carefully forgotten his badge. Unfortunately, Constable Gillepie was also riding on the car at the time, and upon overhearing the conversation, arrested Wootley. He pleaded guilty to a vagrancy charge, and was sent down for 21 days.

Burton Day Mollineaux, upon whom the hope of the Hamilton ball game north. Hart swore that he met Mollineaux on Sunday evening, and the latter confessed a hard-luck tale of how he had been going for two days without anything to eat. Having a soft heart, Hart gave him \$5 to change, and after waiting in vain for Mollineaux to return, he told his story to a policeman. The prisoner denied having received the money, but Hart said he could procure a witness, who saw it handed over and the case was adjourned for one day, on that account.

Pietro Demattio, 407 Sherman avenue north, succeeded in showing that his boarders shared alike on the purchase of beer which he was charged with selling, and the case against him was dropped.

John Bennett, no address, paid \$5 upon admitting that he was a common vagrant.

John Anderson, Hess street, showed over \$2 when the constable swore to seeing him run a speeding car in his machine without slowing down.

No case could be made out against James Barbaretto, 77 Lombard street, charged with threatening to stab and kill Dominico Deleco, and it was dismissed.

FEAR THE NATIONALIST VOLUMTEERS.

(By Times Special Wire.)

Montreal, April 8.—The development of the Nationalist volunteers in Ireland is beginning to attract the attention of Ulster Unionists, according to a London cable to the Daily Mail.

After a tour of Nationalist Ireland, one capable observer declares that the movement is "like with danger." The force has been organized since December by Sir Robert Campbell, the commander, who exposed the horrors of the slave trade at Putnam, and John McNeill, a professor at the Irish National University, who have spread the net so well that cities towns and hamlets in all parts of Ireland are within its mesh. No simulation can hide that their object is, in case of need, to coerce Ulster or make Government beneath the old regime impossible.

The writer draws a distinction between the Ulstermen and the Nationalist volunteers, and concludes by saying:

"Two years ago the Government might have suppressed the Ulstermen. The Ulstermen are loyal to British rule, but the Nationalist volunteers are loyal to themselves. The time for the Government to act is now, not two years hence."

JUST LIKE THE WEST.

(By Times Special Wire)

Kington, Ont., April 8.—James Trimmett, from the old country but a few days, was fined in the police court \$10 and costs of twenty days. He carried a loaded revolver and, meeting two men on the street, said he would take all their money, and arrested him. He told the magistrate that while leaving England he was given to understand that anyone in Canada could carry a revolver.
